

# You've Been Boo-zed

Autumn is here it is getting colder,  
Why should the fun stop just because we're older?

Last night you were left a grown-up treat.  
This is a tradition you must repeat.

Quickly hang "Dear Ava" on your front door proud,  
Being Boo-zed twice is not allowed.

Now it is your duty to pass on the surprise,  
Pick two or more neighbors, go get your disguise.

Head to [SparklingCharm.com](http://SparklingCharm.com) for the  
Free Printables you'll need for the task,  
Print two copies for the unexpected  
...lightning fast.

Gather the booze and deliver it soon,  
Within **TWO** nights by the light of the moon.

Enjoy these spirits  
I picked just for you,  
Make yourself a drink  
...or maybe two.
